## THEME

Securing the Control of Your Estate Against Hijackers and Gaining Access to Single Digit Debt Financing

**July 7th, 2022**

---

**Skyline Terrace, Oriental Hotel**

Victoria Island, Lagos

Organized by  
**REDAN (South-West Chapter)**

# ABOUT THE DEVELOPER'S FORUM 2022

The Real Estate Developers Association of Nigeria (REDAN) South West Zone is organizing a Stakeholders Forum to discuss the issue of Estate hijack by the buyers & residents from Developers. This has been a major issue with most Property Developers over time and we have assembled an array of experienced Property Developers, Lawyers and Facility Managers to help do justice to the discussion.

The purpose of this event is to proffer possible and practical ways of tackling the issue of Estate Hijack by residents of the estate from their Developers. While also sharing insights on opportunities for Registered Development companies to access single digit loans to finance their construction Projects

A compendium of these sections will be produced after for members who will want to buy such as reference and preventive measures to safeguard their estates and companies.
